Planned Giving

Our lives are journeys of faith and generosity. As our faith matures and deepens, so does the way we support God's work in the world. As a child, perhaps you started by giving coins at Sunday School and watching as your parents gave offerings in worship. As we grow up in the church, our giving evolves as well, reflecting new depths of meaning, understanding, and experience.

When your earthly life comes to a close, you can continue to give and make a difference in our congregation through planned giving. Have you remembered the church in your will or through a charitable trust or annuity? What a wonderful enduring testimony to God's blessing in your life! Ask the church office for more information about planned giving.

Camperships

St. Peter has a long history of supporting our youth as they attend the various Lutheran Bible camps in our area. Each year we offer some assistance to any youth who chooses to go to a camp. This year any youth of St. Peter who wishes to attend a Lutheran Bible Camp will get \$275.00 (\$250 from St. Peter and \$25 from WELCA), but not to exceed the cost of the camp. So grab a camp brochure and get them registered for a Lutheran Bible Camp this summer!

It is also very important to know that if you want to go to camp, but just don't have the funds, contact the church office and we will help find the money needed. No one needs skip attending a Lutheran Bible Camp just because money is limited. All inquiries will be strictly confidential.

For any pastoral need you might have, please call President John Backer 303-519-5284, Vice President Erin Mulder 319-239-6685 or Robin at the church 816-5531.

March is National Professional Social Work Month

March is National Professional Social Work Month, a time to recognize social workers and thank them for all they do. At Lutheran Services in Iowa (LSI), we are grateful for the many social workers who have dedicated their lives to serving our communities across the state!

At LSI, we believe every Iowan deserves the independence they need to thrive. LSI’s Host Homes is an innovative way LSI is serving adults with disabilities. Through this program, an individual moves from Supported Community Living into a private family home with a carefully selected mentor. This program is built entirely around an individual’s goals and interests, and LSI’s extensive matching process ensures the mentor and mentee are a great fit.

Take a moment to read the following story from a Host Homes mentee:

“My journey with LSI’s Host Homes started in early 2023. I’ve known my mentor for a few years while he provided hourly services to me. We learned about Host Homes and thought it would be a good fit for us. I moved into my mentor’s home where he helps me maintain a daily routine with schoolwork, household tasks, daily living skills, improving independence, and more.

I attend a college nearby and go to classes a few days a week. I am able to navigate the local bus system to access my community to attend classes and visit friends. My mentor is always available to transport me into the community as needed.

This summer, I went on a trip across the country with one of my classes. While on this trip, I was able to maintain my independence with limited support, but I knew my mentor would be available by phone to assist me with my coping skills and problem solving. This trip was a big success for me knowing I had support only a phone call away.

I like LSI’s Host Homes Program because my mentor supports me in the way I want to be supported, assists me with some daily tasks I struggle with, and understands me.”

If you are interested in becoming a Host Homes mentor and helping a fellow Iowan achieve independence, please visit LSIowa.org/HostHomes for more information.

Great News About the Stained Glass Project Capital Campaign

The opportunity to support the stained-glass window project has been received with overwhelming success. Out of the 26 windows available, 23 have been “adopted” by individuals, couples or families (only windows 4, 13, and 16 are remaining as of this writing). What a remarkable response – thanks to all who have stepped forward to make gifts or pledges! Two of the remaining windows are the large ones with a restoration cost of \$25,000 each. We’ve heard from some of you who wanted to adopt a specific window or had hoped to give at a specific level but may be surprised or disappointed that the only remaining options include the more expensive two larger windows. We have a new opportunity for you to consider allowing more people to support this project by making a gift towards the adoption of one of the two large windows. Any new gifts or pledges of \$1000 or more may be designated as a memorial or tribute to the window of your choosing.

We welcome support at all levels. Each donation adds to the success of the project to restore our wonderful stain glass windows for years to come. If you choose to give throughout the year, please make a note on your donation that it goes toward the window project. Thank you!

Please contact the church office or a member of the Stewardship and Finance Committee if you have interest or questions.
