New Bible Study

New Bible Study - *Making Sense of Scripture*

The Bible is perennially the best-selling book in the world, but it can be complex, confusing, and hard to interpret. And yet as Christians, we believe this book is God's word with which we are called to engage.

In this accessible study, author David Lose invites you to engage in a conversation about seven major questions of the Bible. More than a standard biblical reference book, *Making Sense of Scripture* is a dialogue that encourages

readers to bring their questions or doubts to the table when reading Scripture. During this conversation, there are different opportunities for the reader to interact with the Bible, ultimately leaving room for personal transformation of the heart and mind. Each week will include a video clip from the author and small group discussion of a chapter of the book.

We'll meet on Thursday evenings from 8:00-9:00 pm, beginning on September 30. Sign up by September 5 to join Pastor Daniel for this seven-week study. Suggested donation of \$10 per book.

Direct Support Professionals Week

Do you know someone who is a caregiver to a loved one? It is a role that is both demanding and meaningful. During September's National Direct Support Professionals Week, we celebrate all the ways in which professional caregivers help children and adults achieve their goals and build meaningful lives.

One way LSI empowers Iowans is through our Services for People with Disabilities. From 24-hour support to occasional respite care, the LSI team lifts up Iowans with disabilities as they find the confidence and independence they need to thrive in their communities. Through our innovative Host Homes program, caregivers can also become mentors to individuals with disabilities, welcoming them into their private family home where they can receive more one-on-one care and encouragement.

It has been a challenging year for parents of children with disabilities, and there are lots of Iowa families who deserve support right now. You can help by joining the LSI team as a short-term respite care provider for Iowa kids. Visit LSIowa.org/respite to learn more, and if you would like to learn more about how you can support crucial programming like LSI's Services for People with Disabilities, please contact Deb Whitford, LSI director of philanthropy and church relations, at 563-676-2065 or Deborah.Whitford@LSIowa.org. *Our Mission: Lutheran Services in Iowa responds to the love of Jesus Christ through compassionate service. LSI is an affiliated social ministry partner of the Iowa congregations of the ELCA (Evangelical Lutheran Church in America) and a member of LSA (Lutheran Services in America). We proudly serve people of all ages, abilities, religions, sexes, gender identities, national origins, ethnicities, races, and sexual orientations. Thank You

A big thank you to everyone who supported our Luther League mission trip to Kansas City this summer! From July 18-23, our group of 7 youth and 3 adults had a great week serving others and experiencing new things. We had the chance to serve at a kids program and a housing development for recovering mothers, as well as sort donations at a thrift store and medical distribution project. The trip also included opportunities to visit different local ethnic restaurants and learn about some of the racial and social justice issues the city faces. We even stopped at the Worlds of Fun amusement park before traveling home at the end of our week. We know none of this would have been possible without the prayers and financial support of our congregation and community. Thank you for your investment in our youth!

Growing in Faith Through Bible Study

*“An intelligent mind acquires knowledge,
and the ear of the wise seeks knowledge.”*

Proverbs 18:15

One of the three primary tasks laid out in our congregation’s mission statement is to “Equip people with a faith that works in daily life.” Primarily, we do that through worship. We learn the faith by hearing and enacting it in worship. Teaching comes through the sermon, but it also comes through songs and hymns, liturgy, readings, and tangibly in the sacraments of baptism and communion. Each week as we gather for worship, we hear again the story of God’s love for us and for the world.

Of course, worship is not our congregation’s only avenue for education. Most visibly, we have youth and children’s ministries like Sunday School, Confirmation, Junior High Ministry, Luther League, and Vacation Bible School.

But learning and exploring faith doesn’t stop after high school.

Adult education is important, and it’s an area where I think our congregation has some good opportunities and momentum for growth. As we enter this new school year, I’m thinking about **three strands of adult education** at St. Peter.

First, we have **ongoing groups**. Men’s study meets Wednesday mornings at 7:00 am at church to read and discuss books of the Bible a chapter at a time. The second Thursday of each month, we have a women’s Bible study as part of the WELCA meeting which uses studies from the WELCA *Gather* magazine. Newcomers are most welcome to either group.

Second, we have **short-term small group studies**. These are groups that form for a defined period (say 4-8 weeks) and explore a particular topic together through a book and discussion. In the last few years, we’ve had studies on topics like Luther’s *Small Catechism*, Generosity, the meaning of Christmas, and the book of Acts. Info about the next study, *Making Sense of Scripture*, is elsewhere in this newsletter.

Third, I think it’s important for us to offer a **stand-alone study option**, something where you can come without needing to sign up or buy a book. During the month of October, we’re going to experiment with this on Sunday mornings after worship, at the same time as Sunday School. Each week will be a little different style and topic, and after five weeks, we can evaluate and see if it’s meaningful for people. Come by and see if it works for you!

Hopefully, one or more of these strands works for you to help you grow in your relationship with Jesus. Challenge yourself to get involved. If you have other ideas or you’d like to help lead a study, I’m all ears!

In Christ, -Pastor Daniel Flucke

A Word on Worship

As you’ll notice elsewhere in this newsletter, your Worship Committee and Church Council have decided we will be moving forward with a **unified Sunday service at 9:30 am**, rather than splitting into two services for the school year. Saturday service will continue at 6:00 pm.

Most often, Sunday service will be in the sanctuary, including elements of both our traditional and praise worship services. My hope is that this variety in worship will provide new opportunities for all of us to encounter the good news of Jesus in fresh ways.

And if there are times when some element of a service is challenging for you or not your favorite thing, trust that the Holy Spirit is working through it for others in our congregation. This is a great opportunity for us to grow as a congregation in worshipping our God together! If you have ideas or new things to try in worship, please talk to me or worship committee.

Worship Servants

For the last year during the pandemic, we have refrained from scheduling people to help in worship with roles like ushering and reading. **Thank you** to everyone who has helped serve in worship during this time!

Now, as we move into a more regular worship schedule this fall with one regular Sunday service at 9:30, we will be resuming having ushers and lectors scheduled to assist. This is an important part of our hospitality as a congregation, so if you are willing to help out by serving in worship, please contact the church office or Pastor Daniel to be added to the rotation.

Volunteers for Saturday service are also most welcome, and we'll begin scheduling once there are enough people signed up to make a regular schedule. Thank you for helping make our congregation's worship services happen!

Faith Vocab: Blasphemy

Blasphemy is insulting or disrespecting God, rather than honoring God for who God is and what God has done. The second of the Ten Commandments is "You shall not make wrongful use of the name of the Lord your God." More familiarly, you might know it as "Don't take the Lord's name in vain." Basically, blasphemy is doing the opposite of that commandment.

Blasphemy comes up in Scripture in Mark 3:29 & Matthew 12:32 when Jesus warns of the "unforgivable sin." The unforgivable sin is to blaspheme against the Holy Spirit, that is, to deny the Holy Spirit is God at work. Since the Holy Spirit's work is to draw us to salvation, it makes sense that denying or going against the Holy Spirit is unforgivable. Rejecting forgiveness is unforgivable!

At his trial in Matthew 28, Jesus was accused by the religious leaders of blasphemy for claiming to be the Messiah, the Son of God. They believed he was misrepresenting God. Of course, we know the accusations of blasphemy were false, because Jesus was telling the truth: He was and is God!

Confirmation News

7th & 8th grade confirmation classes begin on **Wednesday, September 1st**. An optional supper will be served each week at 6:15 followed by class from 6:30-7:30 pm.

There will be a 9th grade confirmation meeting (with pizza!) on **Sunday, September 12th at 12:00 pm**.
