Name: _____

Take-Home Story: Noah & the Flood

Watch video clip from the movie *Noah* (3:33) linked at www.stpetergreene.com/confirmation

This movie gives a “Hollywood version” of the creation story we talked about last week from Genesis 1 and 2. What are two things you noticed in the video clip similar or different from the Bible’s telling of the story?

1. _____
2. _____

After the people were exiled from the garden of Eden as punishment for their sin, they kept on sinning. Things got really bad. **Read** Genesis 6:5-8.

Why did God decide to flood the earth? _____

Skim the story of the flood in Genesis 6:9 – 8:19.

- What’s God’s command when the people exit the ark? (8:17)
- Do you think if the world is mostly good or mostly evil?
- How does God handle the evil?

Read Genesis 9:8-17 -

After the flood, God makes a covenant (a promise).

- In the covenant, what promises are made?
- What is the sign (reminder) of the covenant?

The rest of the Bible is about God’s activity in the world outside of paradise. It’s about God working to fix the relationship with people that their sin broke. Next week, we’ll see God still trying to bless the world, working in a broken creation, but not giving up this time!
